RICH AMS GLOBAL

Design & Product Development

Great products start with great design.

- We have our own designer based in Manila to support customers, right from Design & Product development, designing trims & packing material.
- New Trends & Designs are continuously developed and shared with our customers.
- Each client with different unique needs is catered for ..
- We work in close collaboration with our customers to maximize the output of product developments.

Sourcing, Costing & Negotiation

- We source factories very quickly, since we have our representative office in China & India,
- Our sourcing team sources products & confirm price with in 24 hours.
- The team is competent and trained for costing, quality & negotiations skills.
- RICH AMS only sources from factories that which maintain international standards are BSCI, SA8000, SEDEX, OekoTex 100 compliant

RICH AMS GLOBAL

Production & Quality

We are a modern producer of garments & all our factories are equipped with latest machinery's.

Our team visits factory on day-to-day basis for controlling quality aspects right from product development to bulk productions.

All our production facility follow international standard in slot management & quality management AQL 2.5 System.

Our Team visits factories and conducts pre production meetings , pilot, in-line & final productions before the bulk production commences

Logistics

We have separate division for managing shipping division & help buyer in selecting & planning the vessel schedule.

Our shipping division help buyer with better sailing time, schedule & cost effective mode to ship the goods.

RICH AMS GLOBAL

Finance

Our banking partner is HSBC Hong Kong, which enables us to support of factories in India, China & Philippines by supporting better payment terms like advance, LC, TT, DP etc

Financial References are available upon request.
